

Releasing of National Accounts of Sri Lanka for the 2nd Qtr of 2015

In the year 2015, the Department of Census and Statistics changed its base year from 2002 to 2010. In addition to moving the base year from 2002 to 2010, in the compilation of National Accounts, many other improvements were also made. With these improvements in the national accounting system, the DCS computed and released the annual and quarterly estimates of National Accounts from 2010 to 2014 in Production Approach using the new base year of 2010.

The DCS released the preliminary estimates of the current and constant annual Gross Domestic Product (GDP) for the 2nd Quarter 2015 based on production approach at the Press Briefing held on 16th September 2015 at the Government of Information centre of Ministry of Mass Media and Parliamentary Affairs.
